We Are eterna.

Eterna has been a specialist supplier of lighting, heating, and electrical products to the UK and Irish trade markets since 1946. We provide wholesale-friendly, energy-efficient, and cost-effective solutions that meet the diverse needs of stock and project requirements across the residential, commercial, amenity, and industrial sectors.

We are a dedicated team offering our advice and expertise through your entire buying journey, from stocking solutions, lighting design and technical support. It's our mission to provide invaluable service to everyone.

As part of a client relationship, you will be supported by our external sales force, who will provide regular face-to-face contact, showcasing new products, upgrades and marketing support. They will be backed by our dedicated internal teams, all working together to consistently exceed market expectations with our exceptional service levels.
